This game is based off an idea submitted by Aloft and Element Me'aisam Dubai.

Option 1: Individual Play

Before You Play:

1. Print a copy of the gameboard (page 1).
2. Use the Benefits At A Glance Chart for the answer key. To find it, search Marriott Bonvoy on Marriott Global Source (MGS).
3. Find about 70 small items to use for tokens. You can use coins, paper clips, stones...be creative!

Goal:

The tokens identify all benefits for each member tier.

How To Play:

1. Each player has at least one turn.
2. During their turn, they will place a token in an open gameboard square to show a member benefit.
3. Continue taking turns until the benefits for all Member tiers are complete, and the chart matches the Benefits At A Glance Chart on MGS.

Additional Option: Team Competition

Before You Play:

1. Print one copy of the gameboard (page 1) for each team.
2. Use the Member Profiles below (don't share this page with the teams – it has the answers!). Develop more Member Profiles if you would like a longer game.
3. Designate a Reader – this person will read the Member Profiles, they will not compete.
4. Use the Benefits At A Glance Chart for the answer key. To find it, search Marriott Bonvoy on Marriott Global Source (MGS)
5. Find about 70 small items to use for tokens. You can use coins, paper clips, stones...be creative!
6. Give each team an even amount of tokens.

Goal:

Win the most points. Teams receive 10 points each time they are the first to complete accurate benefits for a member.

How To Play:

1. Have the Reader share a Member Profile.
2. As quickly as they can, each team places tokens in the squares that match the benefits the Member should receive.
3. When a team completes the chart they will let the Reader know. The Reader will check their gameboard for accuracy, and award 10 points if it is correct.
4. If you like, include a bonus question worth 5 points at the end of each round: "What extra step would you take to make this stay memorable?"

Member Profiles:

1. This member travels 55 nights a year, and is using a redemption stay to vacation with his partner. He reserved a room with a king-sized bed for 3 nights. His profile shows he is celebrating his 20th wedding anniversary this weekend.
   Answer: Check that the chart reflects the benefits of a Marriott Bonvoy Platinum Elite Member.
   Bonus Question Answers Might Include: Congratulations card signed by staff; F&B Amenity; honeymoon setup for the room.

2. This member travels 75 nights a year. She just arrived after a long day of delayed travel and you learn she is in town for her friend's wedding.
   Answer: Check that the chart reflects the benefits of a Marriott Bonvoy Titanium Elite Member.
   Bonus Question Answers Might Include: Ask if she'd like tea sent to her room; inquire if morning call or car transfer service is needed tomorrow.

3. This member travels 15 nights a year. His reservation indicates he would like a room with 2 beds for him, his wife, and 2 young children.
   Answer: Check that the chart reflects the benefits of a Marriott Bonvoy Silver Elite Member.
   Bonus Question Answers Might Include: Amenity for the children; ask if they would like a late checkout, if available.

4. This Member just enrolled at your hotel. She is staying for 4 nights.
   Answer: Check that the chart reflects the benefits of a Marriott Bonvoy Member.
   Bonus Question Answers Might Include: Express warm gratitude to them for choosing your hotel.

5. This Member is a CEO of one of Marriott's top corporate clients. She stays with our brands for business and leisure travel exclusively over 100 qualifying nights per year.
   Answer: Check that the chart reflects the benefits of a Marriott Bonvoy Ambassador Elite Member.
   Bonus Question Answers Might Include: Ensure the best available room is provided; communicate their stay with the hotel team before the guest arrives, and the moment they arrive at the property.
